Thank you Hicks Longhorns! We are excited to develop this outstanding pedigreed young bull. An own son of the well-known WS Hydro, whose influence is being stamped in the Hicks' herd. On the maternal side, his dam is a Ruckus granddaughter of the great Delta Dotty. This bull's full sister is none other than Hicks EL Sun Shine, who is over 90 inches of twisty horn as a 6yr old. Now look at the conformation of this young bull, and see why
