Here is a wonderfully put together young 90 inch female sired by the coveted WS Hydro bull on the top side and one of Hicks Texas Longhorns best cows, LL Trident. LL Trident brings in that magical Concealed Weapon over RC Pacific Mermaid cross. Currently raising a Sweetwater BCB bull prospect & bred back the same way to make her a 3-n1. This new babies pedigree will have lines to Fifty-Fifty BCB on the top and will be tied to Lady
